Wolfpack Digital

Global Healthy Workplace Awards 2023

Romanian labour code

First things first

Law no.319/2006 regarding health and safety at work -> this law establishes general principles concerning the prevention of occupational risks, the protection of health and safety of workers, the risk assessment, informing and training of workers and their representatives, as well as general guidelines for the implementation of its principles.

Mandatory training sessions:

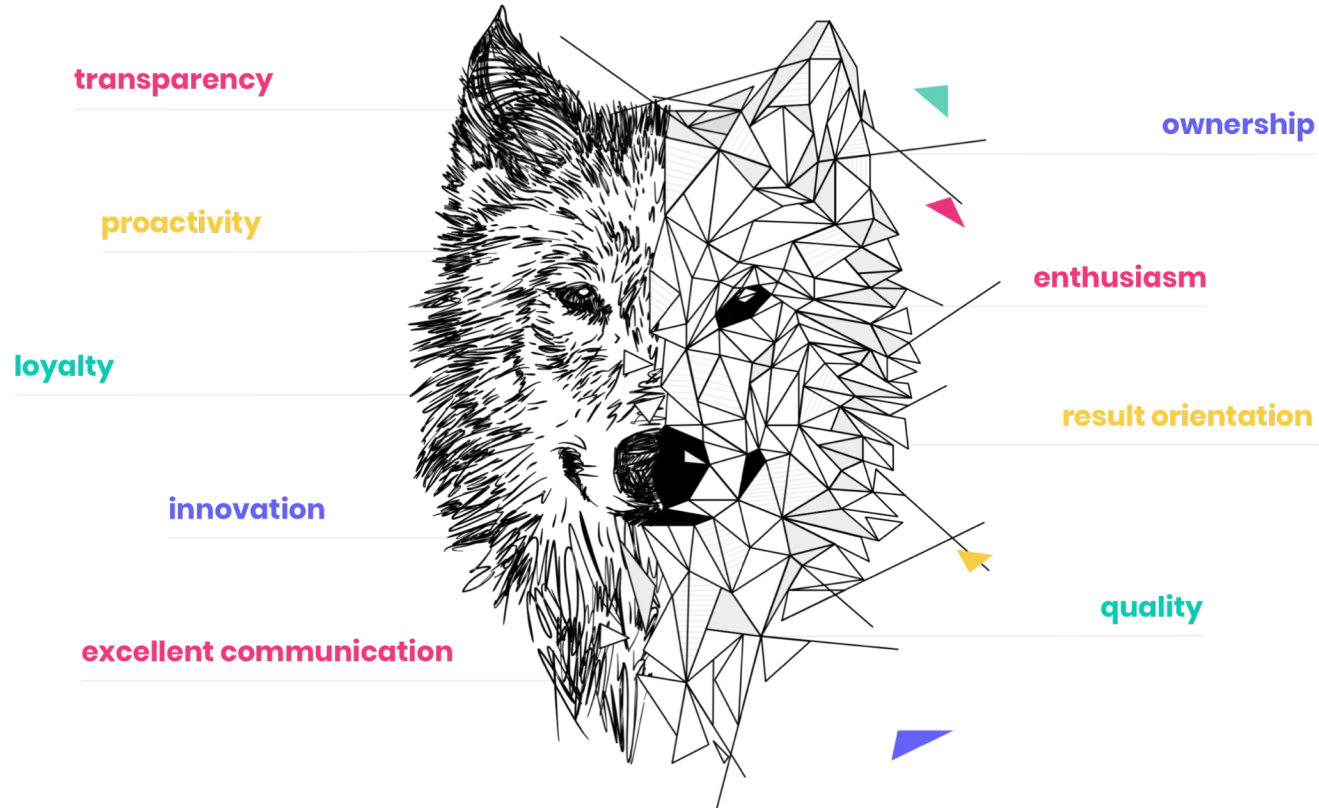

- At employment (first day in a new organization)
- Periodic training (once every 6 months or once per year)
- When an employee is inactive for more than 30 working days or when the risks of the job are changing due to new responsibilities/job change

mission_

What is our mission?

Meet us, Wolfpack Digital, the team of **app designers & developers** aiming to be the best in building complete solutions that solve real problems and even disrupt the app market. It's essential for us that we make the **journey enjoyable for everyone** involved while providing an **inclusive & colourful work environment**. Inspired by the **Wolf**, we see our team as a pack of wolves: **agile, performant, dedicated, collaborative, communicative & playful**.

values

physical working environment
